Grant House was built in 1849, and is the oldest dwelling in Officers Row. The house, made from hand-hewn logs and sided with wood lap, served as both headquarters for the army and as the commanding officer's residence. All of the original logs used in the construction of the Grant House are still in place, a few are still visible.

At Eatery at the Grant House, we place a high value on locally-grown ingredients and farm to table freshness. We have access to nearby farms and fresh seafood is just an hour away. Because of this, we're able to bring the freshest ingredients to our kitchen, and then to your plate. We're a farm to table restaurant and we take that very seriously.
